

# Sponsor a backpack filled with basic needs for a blind child!

A donation of \$75 provides a backpack of tools so desperately needed by blind / visually impaired children for education, communication, and mobility. Without these basic tools, there is little chance to succeed in school. Please sponsor an alternative gift that will change lives.

## Backpack

The items contained in this backpack are fundamental to success for blind / visually-impaired (BVI) students.

## Talking or Braille Watch

A watch helps give the BVI child the time-bearings necessary to manage their school schedule and successfully prepare for life's many meetings and appointments.

## Folding Cane

The white-cane helps open up the world in a society that is just now recognizing that people with disabilities have dreams, rights, and abilities.

## Braille Slate & Stylus, Abacus & Math Kit, and Braille Ruler

These tools are as necessary to the BVI child as a pencil, pen, and paper are to a sighted child.

Visit our website: [www.trifc.org](http://www.trifc.org), or contact us at: [info@trifc.org](mailto:info@trifc.org) to change a BVI child's life by giving a backpack gift filled with tools for success.

**trifc.org is a registered 501(c)(3)** in WA State, helping differently-abled children of Nepal.
